

“PRESENT WITH PURPOSE” shares an exciting Level II component **“THE MIRACLE IN THE MIRROR”**

There has never been a more important time than today to do all that you can so that *“your internal dialogue is congruent with your external dialogue”*. A good definition of someone living in harmony is as simple as this...“when your outside world matches what is going on inside of you”. Most important things are usually simple, they may appear complex, even frustrating. Just remember this, there is nothing you can dream about that you can’t have! But, you must know the rules to follow and the laws that apply. Yes, we live in a Universe of Laws, and you can learn them!!! That’s what this event is about. Join this small group, no more than 12, for a truly life changing weekend. This is the basic itinerary:

Friday, late afternoon (start time TBD), till about 9pm. No dinner break.

Saturday; 9am till about 7pm. Don’t worry, most people say it feels like it lasted about 6 hours. We have run as late as 11pm! Depends on you...

Sunday; 9am till 6pm. We try and keep to this because many people must be at a job the next day.

Snacks, water, coffee provided. Lunch will be 80 minutes long. On your own, meet new friends.

Qualifications to attend; A desire to be able to quickly establish rapport with people, learn to train and trust that intuitive (spiritual) self, truly communicate not just talk, gain confidence in yourself and your story, create a community of like minded people, discover and develop your gifts and talents...*emphasis on you choosing and monitoring your thoughts which are the most powerful things in your possession! Learning to speak with purpose, the words you use are creative and always at work!*

Someone thought enough about you, felt strongly about sharing with you or was attracted to you so much so that you are now reading this and are in the decision process even as you read. **You are always creating**, the Law never rests, could this be what you have been waiting for? Trust yourself, it’s not about the money, it’s about your life! Remember, only 12 can attend. East Coast or West, ask for dates, you choose...

Continued Success, *George Ramirez*

PS The person who handed you this will tell you further details like the date and oh yes, the investment is only \$1,000. This weekend event is usually only Saturday and Sunday and is \$1,500. ***When would NOW be a good time to do something that could enhance your life forever?***
